

Welcome!

CLUE Annual Symposium

June 24, 2022

City Logistics for the Urban Economy

Land Acknowledgement

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca, and the Mississaugas of the Credit. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.

Opening Remarks

Dr. Chris Yip

Dean, Faculty of Applied Science and Engineering
University of Toronto
